## REMINISENCES OF OUR PIONEER DAYS

### Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

On the night of October 4th, 1883, the little town of Menlo Park was thrown into a fever of excitement by the discovery of a mysterious fire in the store of John McBreen. With practically no means of fighting fire, but little could be done to stop the progress of the flames and the building and contents were almost entirely destroyed. Mr McBreen carried an insurance of $1500, but his loss amounted to something over $1000 above this amount. That the fire was prevented from spreading to other buildings was due to the fortunate circumstance that the place was surrounded by a very heavy growth of trees. The time at which the fire occurred, something after midnight, as well as other suspicious circumstance, gave rise to the idea that the fire was of incendiary origin, and the sheriff and his deputies at once began an investigation, which within a few days caused the finger of suspicion to point very strongly toward a young man who at the time was regarded as a shady character both in Redwood City and Menlo Park. Direct facts pointing to the guilt of the young man were not over plain and it was his foudness for liquor which lead him to directly point the crime at his own door. Acting upon his suspicions Deputy Sheriff John Solon, who had the case in charge, sent a young man named Lou Taylor to Menlo Park with instructions to ingratiate himself into the good graces of the suspect and endeavor to obtain an admission from him. Knowing the fondness of the suspect for liquor, his shadow was not slow in his offers of treats, and after the youth had become pretty well filled up induced him to come to Redwood City, where more liquor was provided. As a result of the continued libations he soon became decidedly communicative and finally was lead to discuss various residents of Menlo. In doing this he expressed a particular enmity for McBreen, and finally with an oath declared that he had burned him out. On the strength of this admission a warrant for his arrest on the charge of arson was issued. He was held to answer before the higher court, but at the trial it was found to be impossible to produce evidence to convince a jury of the certainty of guilt and he was finally discharged, although seemingly the general public were convinced that the fire was due to his work.

In the issue of the Times and Gazette of December 8th, 1883, appears the following item of news: "Married—In Redwood City, December 2, 1883, by the Rev. R. H. Sink, Henry Offermann to Sophia Stalter, both of Redwood City." In the same issue is alse the following reference to the event: "Henery Offermann, a member of the firm of Offermann Bros., was married on Sunday evening to Miss Sophia Stalter. The ceremony was preformed at the residence of the bride's parents and was attended only by the most intimate friends. Mr. Offermann as well as his charming bride have none but the best wishes from a large circle of friends. The Gazette office was not forgotten by the happy groom, for which kind recollection we wish our congratulations to be blended with those of a thousand others."

On the 11th of March, 1884, Andrew Teague, another one of the early pioneer settlers of San Mateo county, passed to his eternal rest. For several months prior to the time of his death Mr. Teague had been seriously ill, scarcely leaving his bed for more than six months, and death came to him as a relief from suffering. The deceased was a native of Boone county, Missouri, where he was born August 1st, 1822, and where he resided until 1850, when he emigrated to California. He first came to San Mateo county in 1853 and remained a resident of the county until the time of his death, being prominently connected with its affairs. He first settled at Woodsiede, but in 1860 removed to Redwood City and took up the pratice of his profession—the law. In 1869 he was elected to the office of District Attorney, and at the time of his eathd he was a court commissioner for this county. Mr. Teague was one of the charter members of Bay View Lodge of Odd Fellows, and his funeral was conducted by the members of that organization, the services being rendered by Rev. R. H. Sink, the pastor of the Congregational Church, the lodge ceremonies being conducted by the Past Grand Master Charles N. Fox, in accordance with an expressed wish of the deceased.

Here is another little story, taken from the columns of the Times and and Gazette of March 22d, 1884, which may awaken pleasant memories of younger days among some people who are still with us: "Hermann Schaberg, a young man well known as Deputy Assessor for several years, but now employed as book keeper for Hanson & Co., was married on the evening of the 13th instant to Miss Hannah Schmoll, daughter of John Schmoll of Belmont. Only the intimate friends of the bride and groom were present at the ceremony, which took place at the residence of the parents of the bride. The happy couple are now located in Redwood City, where they intend to reside. The residence of the newly married couple was visited on Monday evening by a serenade party, comprising several local musicians, who charmed the music loving comunity with several choice selections. They were invited in by Mr. Schaberg and hospitably entertained, at the same time exhibiting a far greater adaptability to deal with the liquid 'horns' there dispensed than in manipulating the brass ones outside. Mr. Schaberg took the matter philosophically and good naturedly, and the boys left wishing the bride and groom many years of prosperity and happiness."

### SHOE FACTORY PROJECT MAY BE REALIZED.

The shoe-factory project which has for some months been inactive has taken on new life and the prospects are good for the establishment of such an industry in Redwood City.

Recently the matter was revived by the San Francisco firm desirous of locating here and a number of conferences have been held with the result that satisfactory terms to both sides have been agreed upon.

The Holding Company, the corporation having the enterprise in charge, will shortly call in the contributions and issue the stock to those who are providing the money for the factory.

The site on which the factory is to be located has been donated by C. A. Hooper.

### Enjoyable Open-Air Concert

The Oakland Boys' Club concert band gave an open-air concert at the corner of Main street and Broadway Monday evening. One hour of continuous music was rendered which was highly enjoyed by a great crowd of people. The band is twenty-eight boys whose ages range from 9 to 18 years. It is directed by Eugene Ferry, who is 16 years old. The party is in charge of F. E. Mummert, who is acting as superintendent. These boys come from Oakland and are now winding up a five weeks' tour through Central California. They have given concerts all along the route.

### New Grammar-School Teacher

Geo. N. McDaniel, who had charge of the grammar school during the last four months of the school year, will not return to Redwood when school reopens. Prof. R. W. Mantz, a teacher of high standing in his profession has been chosen to preside over the school. Prof. Mantz has taught in many of the large schools throughout the state and for the past year has been one of the instructors at Prof. Reid's school at Belmont, which in itself is a testimonial of his fitness as a teacher. Mr. Mantz has a family. He will make his home in Redwood and become part of the community.

### Local Postal Savings Bank.

A postal savings bank will be opened in this city Saturday to be under the management of Postmaster Price. Deposits will be received from $1.00 to $100, and no account for a larger sum than $500, exclusive of interest is permitted. Mr. Price will be pleased to explain the system fully to all who desire information.

Rev. C. H. Duvall of Vallejo will deliver a lecture in the M. E. church on Sunday evening, July 23d. The proceeds of the lecture will go to aid the National Industial School at Oakland. This is a very worthy cause and should be well attended.

### HAPPY BIRTHDAY PARTY GIVEN TO OLD RESIDENT

Monday evening was the occasion of a pleasant gathering at the home of Mrs. Elizabeth Winter, planned by her children and grandchildren as a surprise in honor of her eighty-first birthday. Mrs. Winter has long been a sufferer, unable to leave her home. She has endeared herself to all by her sweet patient and unfailing thoughtfulness of others during her pain, and this rememberance of her birthday comes as a happy change in her life. A post-card "shower" was given her and over eighty cards of greeting were received from old friends scattered far and wide and from local friends and neighbors, and many lovely presents were also received from relatives, One daughter, Mrs. Vasques, and three sons, George, Joseph and James, with their families, were present, also her pastor, Rev. W. G. Trudgeon and wife and Mrs. J. Hall and Mr. H. Mansfield. The evening passed pleasantly with music by the grandchildren, interspersed with recitations by Mrs. Hall, given in her usual good style and which were greatly appreciated. Dainty refreshments were served and after congratulations and best wishes for "many happy returns" the company dispersed at a late hour.

Mrs. Winter desires to thank her numerous friends for their kind remembrances and greetings and hopes they will all live to celebrate their 81st milestone.

### SEES AND APPRECIATES OUR BEAUTIFUL COUNTY

Miss Helen Cole of Providence, Rhode Island, was the guest of her cousin, Mrs. D. R. Stafford, last Sunday. Miss Cole has traveled extensively in Europe and the West Indies. She has visited many points of interest on the continent and was among a party of seven at a private audience with Pope Pius X. The wonderful wealth and beauty of San Mateo and Santa Clara appealed to the fair visitor Sunday while motoring with her hostess. Miss Cole said that the people of the east could not understand why the people of the Pacific Coast continued to live where earthquakes are occasionally felt. Her opinion now is that one must come west to find out. She will take in Yosemite, Portland, Seattle, Vancouver and the Yellowstone before returning to Providence.

### Operated on For Appendicitis.

Monday Mrs. James B. Clothier, who was camping at La Honda was taken ill. She was hurried to her home in this city where after a consultation by the doctors it was deemed necessary to operate on her for appendicitis. The operation was performed at Mrs. Huling's sanitarium Tuesday by Dr. Somers of San Francisco and Drs. Koss and Taggart. Yesterday Mrs. Clothier was reported as getting along satisfactorily and no ill results of her sickness are feared.

### Home of Woman's Club.

A contract was filed in the Recorder's office yesterday by the terms of which Charles Miller agrees to erect for the Redwood City Woman's Club, a building in Dingee Park at a cost of $3000. The plumbing is to be done by T. R. Laubach who has a number of other contracts in Dingee Park.

Mrs. T. G. Phelps went to San Francisco last Saturday to attend the funeral of her old friend Mrs Ellen Clara Sargent, which was held from the home of Mrs. Sargent's son, Geo. C. Sargent Mrs. Sargent was the widow of the Hon. Aron Sargent, at one time United States senator from this state and who during his life time was a man of wide influence in both political and industrial affairs. Mrs. Sargent lived to the ripe old age of eighty-five and remained alert up to the time of her late illness.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

## SHOULD MAKE HASTE SLOWLY.

In preparing the terms of the franchise for the proposed local street railway the members of the City Council are confronted by a serious problem—one frought with more far-reaching consequences, probably, than any question which has ever confronted the legislative body of this city. There is good reason to hope that within a few years this city will have become a populous and extensive community. The surrendering of its public streets, or any portion of them, to private use for so long a period as 50 years, in that case, must be a matter of most grave consideration. While there should be no unnecessary delay, there should be no undue haste. Every phase of the question should be given thorough consideration.

Undoubtedly the community desires that the proposed road should be built, and that with the least possible delay. To this end the people are desirous that most liberal terms should be offered. At the same time the rights and needs of the community must be carefully preserved. Every possible restriction for the protection of the rights of the public must be provided. Not only must the requirements of the present restricted community be considered but provision must be made for the rapid growth which is almost certain to come within the next few years—certainly within the life of the proposed franchise.

While it is to be hoped that this road will be controlled by men whose first interest is the good of this community, the fact must not be lost sight of that the future of any corporation cannot be controlled. For this reason it is essential that the terms and restrictions desired should be made absolutely definite, and that every safeguard of the interests of the people be plainly inserted in the contract. What these restrictions should be it is not the desire of this paper to suggest. The Trustees are all men of intelligence and wide business experience, personally interested in the community whose interests they were elected to serve. We can but suggest the importance to the community of their action and urge the utmost care in the protection of its interests.

## Two Lodges Install Officers.

Odd Fellows Hall was the scene of a pleasant gathering Thursday evening when the members of Robin Hood Circle, Women of Wooderaft, were the guests of Embarkadero Camp, Woodmen of the World, for the purpose of witnessing the installation of the new officers of the two organizations. The attendance of members of both Orders was large, the hall being well filled with a jolly fraternal crowd. After the insiallation services had been completed the remainder of the evening was devoted to one of those pleasant social reunions which for years have been a strong feature of the life of these two lodges.

The first officers to be installed were those of Embarkadero Camp. This ceremony was conducted by Past Consul Commander J. E. Cowgill. Before turning the hall over to the ladies of the Circle for their ceremonies, Consul Commander J. E. Harris delivered an interesting address on Fraternity. The installation of the officers of Robin Hood Circle, which was conducted by Past Guardia Neighbor Mrs. Selma Locker, were most interesting, the particularly attractive feature being the beautiful drill of the guards under the direction of Captain Daisy Kreiss.

Following are the new officers of the two organizations:

Robin Hood Circle, Women of Wooderaft,—Emma Turner, past guardian neighbor; Minnie Rockwell, guardian neighbor; Ivy Ketting, advisor; Pauline Hexner banker; Emma Winter, clerk; Daisy Kreiss, magician; Margaret Chatham, Captain of guards; Lu Harris, attendent; Elizabeth Eberiee, inner Helma Anderson, outer sentinel; Louis Beer, manager.

Embarkadero Camp, Woodmen of the World.—Geo. H. Winter, past consul commander; J. E. Harris, consul commander; M. A. Sharkey, advisor lieutenant; A. H. Lanfear, banker; F. W. Glennan, clerk; C. J. Bettin escort; F. E. Peterson, watchman, A. O. Anderson, sentry; S. A. Sahlberg, manager.

## SHOE FACTORY PROMOTERS DOING EFFECTIVE WORK.

If anyone imagines that because ro great amount of noise has been made about the shoe factory project of late the attempt to secure for Redwood City this important industry has been dropped, they are certainly laboring under a great missapprehension. While those who have the matter in charge have been working quietly, they have nevertheless been working earnestly and to good purpose. The Holding Company, organized for the purpose of conducting the arrangements for financing the bonus required have been quietly sparring for the best possible arrangement, with a view to making the investment perfectly safe. The negotiations are now nearing a successful and satisfactory end, and it is probable that within a few months the directors will be out calling in the subscriptions for the stock which have been made. In fact matters are now in such satisfactory shape that it would not be surprising if the factory was in operation by the coming spring.

Miss Florence B. Caton, a teacher on the Wurr school, was married at San Francisco last week to Leonard Blomquist, a prominent citizen of Harrison in the Fifth Township. The bride has taught at Wurr for the past year. She is a graduate of the State Normal School at San Jose and a teacher of ability.

## High School Notes.

The work for the new school year opens on August 7. I hope all students will get their affairs in order and be ready to start in the first day of the term. It is desirable to begin on August 7 for several reasons. From some experience I find it easier for the students to do good school work in August than in June. When final examinations and the first real warm weather come together as they sometimes do in June, it is indeed a bad combination. By beginning at the time named we can complete the half year of work, and give the final examinations, and have it all over by tthe Christmas vacation. A considerable number of students from Belmont and Menlo buy commutation tickets to use in attending school. Most parents are not particularly anxious to by 11 such tickets to send children to school for a term of 10 months. Last year the high school was delayed a week that the vacations of the two schools might close together. Although the grammar and high schools closed only a week apart the grammar school authorities have seen fit to delay their opening until August 21. There is not much use in trying to keep the school openings together when only one party tries for that end. San Mateo and other neighbors begin even earlier than we do.

Several new teachers will be found in the high school the coming year, and they have been chosen with a good deal of care.

The work in English will be in charge of Miss Harriet M. Merrill who has an A. B. degree from the State University. Last year she had charge of all the work in English and part of the work in Latin in the high school at College City in Colusa county. When a student at Berkeley Miss Merrill took honors in English which show something of her scholarship. She has had experience in coaching in dramatics, and in debating. I have no doubt she will hold our English work up to the high standard set by Miss Swain. Miss Merrill and her mother have rented the Kaleschke house and will make Redwood their home.

The work in physical science and mathematics will be in charge of Miss Elizabeth Bowles, who has had charge of similar work in the high school at Gridley, California for the last four years. She is a graduate of Middlebury College and is well equipped by scholarship and experience to do our work creditably.

The teacher for domestic science has not yet been chosen. Two experienced teachers in that line—one a graduate of the domestic science department of the University of Illinois, and the other from the same department of the University of Missouri are applicants for the position, and one of them will be chosen for our work. As soon as this teacher is chosen, something of the plans for the new department will be given to the public.

While the number of graduates from the grammar schools in this ed of the county is small we will probably have an entering class of about 30. Our enrollment for 1909-1910 was 92 with an average daily attendance for the year of 80 1-2. The first year we enrolled 41 freshmen and last year but 33. We are at least holding our own. S. P. McCrea.

CORSET ANNOUNCEMENT

A magnificent stock of new Autum 1911 Models in Dr. Warner, Redfern, Royal Worcester and Bon Ton Corsets are now to hand.

There is a marked change in style from the summer models, thus making the Fall Model in Corsets imperative before an Autumn Suit can be properly worn. In this connection we wish to say that we have always at your service experienced Corsetieres, who fit these corsets to the figure, without which perfect poise and form is not attainable in any corset. We therefore recommend an early visit to this Department, so that you may be fully prepared when you want to choose a suit or gown.

Corsets from $3.50 up are fitted skillfully without extra charge, but in no instance will we give fittings without extra charge for corsets of a less price.

Our $5.00 Corsets are identical in most instances with those you pay $10.00 for in San Francisco, while with our up-to-date and well qualified staff of Corsetieres and designers we are fully prepared to give our patrons satisfaction equal to anything found in New York or elsewhere.

# PASSING MATTERS OF LOCAL INTEREST

## News of Redwood City Boiled Down to Condensed Paragraphs.

Judge Buck has returned from his vacation spent at Bartlett Springes.

Lawrence Heiner and family returned from a two weeks' trip to the Yosemite Valley.

Mrs. Kirtland has returned from Los Angeles after spending two weeks with her brother.

Miss Cora Lovie leaves today for Santa Cruz to spend two weeks with Mrs. L. Johnston.

Thomas L. Hickey was here during the week saying good bye to his friends, preparatory for leaving on a month's vacation in Lake county.

Mrs. John Kearse gave a farewell party to the Fahy family Thursday evening. They will return to their home in San Francisco today.

Dr. James Stimson, a former practitioner here but now practicing his profession at Santa Cruz, was here Thursday on a visit to his old friend George West.

Mrs. S. T. Fox and her two daughters, Miss Bee Fox and Mrs. L. Otzen left for Castle Crag to spend a month. Miss Fox is the popular purchasing agent for the county.

Mrs. T. C. Rice and family returned from La Honda Tuesday after spending a delightful two weeks at that place. Her sister Miss Sally Nelson will remain for a week or ten days longer.

William King has returned from Castle Crag where he spent his vacation. He says there is a great number of people in the mountains this year, more than in previous seasons.

Dr. A. Miles Taylor and his daughter Frances have returned from a trip to Colorado. They visited the Garden of the Gods, the Grand Canyon and other places of interest.

Mrs. Nelson is here with her young son, on a visit with her parents, Mr. and Mrs. Joseph Kerr. Her husband is the station agent for the Ocean Shore Railroad Co. at Halfmoon Bay.

Mr. and Mrs. Robert Mantz have rented the Hess house on Hamilton street and will move into the building on the first of the month. Mr. Mantz is the recently elected principal of the Redwood City grammar school.

Jack Genochio, Sidney Ross and A. L. Lowe left early Thursday morning on a fishing trip to Purissima. They are expected home today and their friends are looking forward to a good supply of trout for their Sunday meals.

There is a big run of salmon at Santa Cruz at the present time which is attracting many of our local anglers. The biggest catch of the season was made there during the week by Arthur Gloogins, a former Redwood boy, but now a resident of Santa Cruz.

Antone Miramontes brought the first deer of the season to town Wednesday. He killed a three point buck on the McFarland ranch on the ridge near the top of the mountain. Mr. Miramontes is a veteran hunter who is an expert shot. The deer that gets away from him is lucky indeed.

Mrs. James B. Clothier was operated on at the Huling Sanitarium Wednesday morning. The operation was performed by Dr. Geo. B. Somers of San Francisco, assisted by Dr. J. L. Ross and Dr. Taggart. Mrs. Clothier is getting along nicely and improving rapidly and will soon be herself again. Mrs. Clothier was taken ill while camping at La Honda with her childern.

Henry Koop of Woodside and his only son, Maurice, departed for Europe Wednesday to be gone three months. They will spend six weeks in Germany and the same length of time in St. Gallen, Switzerland. The trip was promised the boy by his father when he graduated from the grammar school. The young man graduated from the Greersburg school last month and will enjoy the fruits of his labors at school.

J. A. Puttner was here on a visit to his sister, Mrs. John Christ during the week. He has not seen his sister in 45 years and the meeting was an affectionate one. Mr. Puttner is a wealthy mining man of San Antonia Baja La Paz, Mexico. He says the recent revolution in that country did not disutrb his section. He believes Mexico is the coming place for investments by Americans. Under the rule of Madero he predicts good times in Mexico.

The announcement of the engagement of Harry Eugene Moore and Miss Viola Theresa Sahlberg has been made. The wedding will take place on August first and the young couple will be home to their friends on August 15th. Mr. Moore is a trusted employe of the Tacoma Mill Company and a young man well thought of in Redwood City. The prospective bride is a beautiful blond, vivacious and charming in manner. Many parties are being given in their honor by their friends

Miss Annie Botto and Charles Agrotti of this city were united in marriage Thursday morning in San Francisco and left yesterday for Los Angeles for two weeks. The fair bride has been the chief clerk in the office of the Abstract of Title Company for the past ten years, making many friends while there. She is a competent clerk and a faithful worker. She has a host of friends about the courthouse where her duties called her daily and they all wish her a happy and prosperous wedded life. The groom is a well known resident of this city.

F. W. McCarthy, a section foreman met with a painful accident at San Carlos Thursday evening. He was riding a motor cycle and in attempting to get it off the track before the approach of the south bound train was struck by the tender of the engine. He sustained a fracture of the hip besides some internal injuries. Dr. Miles Taylor, who was on the train, came to his assistance and rendered him all the aid possible. McCarthy was afterwards taken in charge by the local railroad physician, Dr. J. L. Ross, and sent to the railroad hospital in San Francisco. According to late reports he will recover.

Miss Bessie Mason, a recent graduate of the local high school, is spending her vacation at Seabright where her mother has a cottage for the summer.

Henry Steinberger has gone to Mount Rio for a week's vacation. His wife and daughter Grace have been there a fortnight.

George H. Lent has prepared plans for a $25,000 residence to be built in the Hooper tract on the site of the old Horace Hawes home. Contractors will be asked to figure on the building next week so that work on the structure may begin early in August. It will be one of the finest homes in that tract.

# SUPERVISORS HOLD REGULAR MEETING

## Time of Session Degoted to the Consideration of Matters of Routine Business

The board of supervisors met in regular session Monday. All of the members were present and transacted considerable routine business.

Mrs. Josie Marsh of Halfmoon Bay was allowed $6.25 each per month for her five orphan children whose ages range from 3 months to 5 years. The county will be reimbursed for the money by the state

A communication was received from the American Faucet Company calling attention to that company's floor sweeper which it desires to exhibit to the board.

On motion of Casey, seconded by Brown the company was requested to give a demonstration of its machine when convenient.

Dr. Charles Keane of San Francisco, State Veterinary Surgeon, sent a communication directing attention to an enactment by the legislature which permits the appointment of a county veterinary surgeon and advising that such appointment be made.

On motion of Brown, seconded by Casey, the clerk was directed to invite Dr. Keane to address the board on the subject.

Fletcher F. Kelsey of San Francisco, in a communication offered to provide a relief map of the county to be used with the county's exhibit at the 1915 exposition in San Francisco.

On motion of Brown, seconded by Casey, the communication was referred to the County Development Association.

James T. O'Keefe presented two petitions signed by the residents of Lomita Park, asking that that district be formed into a highway lighting district and sanitary district.

Wm. Pengally who circulated the petition was sworn and testified that he had witnessed all of the signatures to the two petitions and that all were genuine and those of freeholders in the district. There were more than twenty-five, as the law requires.

In answer to a question by Casey, Mr. Pengally assured the board that the people of the district were almost unanimous in their desire to have the improvements inaugurated.

Mr. O'Keefe presented two resolutions, one of which fixes August 10th as the day on which the people are to vote on the lighting proposition, and one fixing August 24th for voting on the sanitary project.

Both were adopted on motion of Casey, seconded by Brown.

Mr. O'Keefe also presented a map of the Menlo Park highway lighting district together with the specifications for installing the lighting system and asked that the board call for bids for the same.

The plans and specifications were accepted on motion of Blackburn, seconded by Casey, and the Clerk directed to publish the usual notice to contractors.

City Attorney N. Malcolm of Palo Alto presented a claim for $183.75 for gravel furnished the third road district by the City of Palo Alto in 1909. The bill was ordered filed the same to come up in the regular orderforpayment.

Casey presented a resolution authorizing the transfer of $1542 from the First road district fund to the City of Burlingame, money due that city since its annexation of Easton. The resolution was adopted on motion of Casey, seconded by Blackburn.

Reports were received from the motorcycle patrolmen as follows:

George Lowans, First township—Worked from June 18th to July 2d; six arrests and six convictions. Fines paid, $55.

George Lowans, First township—Worked from July 3d to July 16th; three arrests and two convictions; one case pending. Fines paid $20.

M.F. Brown, Second township—Worked 15 days; four arrests and two conviction; four cases pending. Fines paid, $20.

District Attorney Swart was granted further time in which to inquire into the county's rights as to a supply of water from the Spring Valley Water Company.

Casey was granted until the next meeting to report on the application of A. Barli of South San Francisco for a license to peddle fruit and vegetables.

Supervisor Francis called attention to the depleted condition of the indigent fund and suggested that a sufficient sum be transferred from the General fund. It was thought that about $1600 would relieve the fund.

A resolution was adopted transferring that amount. Blackburn strongly opposed the transfer, saying that the laborers who worked on the bridges were more entitled to their money. The store keepers of the county would, he was certain extend credit to the indigents, who in some instances only needed money to spend for liquor.

Surveyor Neuman reported that the width of the streets and sidewalks in the San Mateo City Homestead had not been established and it was therefore impossible for him to make the measurements required by the board. He thought the board should pass an ordinance establishing the street and sidewalk dimensions.

The matter was referred to the district attorney.

The chairman rendered a report regarding the street work that had been ordered by the board of trustees of Redwood City in front of the jail property. He was not in favor of the character of the macadam that was proposed and thought it would be cheaper to use asphaltum pavement.

On motion of Francis, seconded by Casey, McEvoy was authorized to confer with the city trustees in the matter.

L. E. Fuller, the business agent of the County Development Association, addressed the board regarding the appropriation of $2000 that had been made at the last meeting for the purpose of assisting in the work of development, and asked that the amount be placed at the disposal of the association. If there were not sufficient funds to enable the board to pay the money now Mr. Fuller stated that the association would have the warrant cashed, paying the interest itself.

The chairman thought that the money was to be paid as required by the association, carrying out the purport of the resolution by which it was appropriated, and permitting the board to supervise the expenditure of the money.

Mr. Fuller stated that the association had many offers from publicity concerns to advertise the county in such a way as would encourage immigration. It wanted to be in a position to take up some one of these offers without delay and would perhaps need a large part of the appropriation very soon.

It was agreed that the association shall proceed with its publicity work as to its is most affective and present its bills to the board for payment as they are incurred in any sum up to $2000.

Te attention of the board was called by Blackburn to the scarcity of water at the poor farm. He said the Spring Valley Water Co. was supplying San Francisco with water while the county had to go without it. He suggested that the water could be pumped to the buildings from the Crystal Springs lake near the poor farm. On motion of Blackburn, a committee consisting of Brown and Blackburn was appointed to wait on the water Co. concerning the matter.

The supervisors met as a board of equalization, but as there were no applications for reduction of assessment the board adjourned sine die.

# CITY COUNCIL HAS BRIEF SESSION

## Trustee Relieve Native Daughters of Future Responsibility for California Park

Nothing of special interest transpired at the meeting of the City Council last Monday evening, nothing but routine business being considered. Chairman Merrill, who is enjoying his usual summer respite from business cares, did not attend the meeting, and in his absence Trustee Brown was chosen to preside.

City Clerk Plump presented the regular monthly reports of the city officers, which were approved and ordered filed. From these reports it is shown that the receipts of the city for the month were as follows:

| | |
|---|---|
| Water rates | $774.90 |
| Water connections | $195.00 |
| Liquor licenses | $2500.00 |
| Roller hire | $10.00 |
| Sewer connections | $30.0 |
| Assessment Dist. No. 16 | $9926.00 |

The report of Treasurer Towne showed a balance of $1973 in the general fund.

Poundmaster Cofiori reported that he had impounded six horses and two cows, all of which had been redeemed. Eight dogs had been taken up during the month, and of these four were killed, while two were redeemed by their owners and two were still in custody.

A communication was read from Bonita Parlor, Native Daughters of the Golden West informing the council that the parlor wished to be relieved from further responsibility for the care of California Square, the improvement of which had been in their charge for the past 12 years. Accompanying the communication was a detailed statement of the receipts and disbursements of the funds under their charge, showing that a total of $2173.45 had come into the hands of the committee in charge of the improvements, and that $2154.60 had been expended on the park. In presenting the statemnt Clerk Plump stated that the balance of $27.85 had been paid over to him. On motion of Trustee Hynding the request of the Parlor to be relieved of further care was granted and Clerk Plump was instructed to return to the members of the parlor the thanks of the council for the effective care given the park.

Before offering his motion Trustee Hynding spoke at some length on the improvements of the park and the painstaking labor needed to place in in its present inviting condition. He complimented the members of Bonita Parlor upon the civic pride displayed in their undertaking and the care given the work in hand.

Hess, McGarvey & Kreiss asked for and were granted an extension of 30 days for the completion of their contracts for the improvement of the streets in Dingee Park districts.

Final action on the application of Contractor T. C. Rice for the acceptance of curb and sidewalk work in District 13 was laid over until August 7th.

The committee on public works was granted one week's further time in which to prepare the franchise for the electric street railway and the franchise will be considered by the council at an adjourned meeting next Monday evening.

Trustee Hynding reported that in company with C. G. Landscheit,, the agent of the park syndicate, he had made an investigation of the needs of Wellesley Park in the way of street sprinkling and that the matter had been adjusted by the giving of some additional instructions to the driver of the sprinkling wagons. The question of oiling some of the streets in that section had also been considered, and while it was admitted that much good could be done by this method he was not ready to recommend definite action at present.

Mr. Landscheit, who was present at the meeting, informed the council that he was of the opinion that the owners of the Wellesley Park property would be willing to cooperate with the city in the expense of the work, which they recognized as a great need. The owners of the property had borne the expense of improving the streets, and in his opinion the city should take steps to preserve the improvements.

Trustee Hynding reported that he had received complaints from some other portions of the city of neglect in sprinkling of streets, especially in the neighborhood of the courthouse, where no sprinkling had been done during the present season. On motion of Trustee Sampson the entire work of street sprinkling was referred to Tustee Hynding with the suggestion that he take steps to remedy the complaints, the trustees evidently believing that the present allowance of water to be distributed would be ample for all needs if the work was properly done.

Trustee Sampson informed the council that in order that the work of deepening the channel of Redwood creek to the lift bridge should not be hampered it would be necessary to change the wires of the fire alarm system leading to the alarm station at the Frank tannery. Trustee Sampson was given authority to have the necessary changes made by the city electrician.

After approving the monthly list of claims against the city the council adjourned until next Monday evening, when consideration of the street railway franchise will be the special order of business.

F. G. Halsey has been appointed trustee of the Woodside district to succeed Volney Rattan.

R. C. Curryer has been appointed trustee of the Montara district to succeed John Curryer, resigned.

# NEWS GATHERED FROM THE COUNTY

## Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

For the past week or two the neighborhood of San Bruno has been terrorized by some malicious mischief-maker, and as a result several residents are mourning the loss of valuable pets. A number of thoroughbred dogs and cats have been poisoned, among them favorite animals belonging to Mr. Peterson and Mr. Lombardi. The people of San Bruno are becoming rathy, and if the miscreant is discovered it is likely to go hard with him.

The people of the San Bruno fire district are responding heartily to the requests of the firemen for financial aid, and the prospect is good for the securing of an ample fund. Several people of prominence in the district have lately interested themselves in the work and have become members of the fire department.

Th Harmony Club of San Bruno has inaugurated a series of billiard tournaments for the edification of its members. Contest games are played every Monday and Friday evenings and are attracting much attention among the friends of the contestants.

The Ladies Aid Society of the San Bruno Methodist church are making arrangements for an extensive entertainment on Thursday, July 27th. In the afternoon there will be a hot lunch served, and in the evening an interestingprogram will be given and ice cream and cake will be served.

The City of Hillsborough proposes to have three experimental stretches of road built as an aid in determing the best character of construction before proceeding with the $80,000 system of highways which the municipality proposes to build. One of these will be built under the direction of the city engineer and the other bycontractors as samples of the work they have to offer.

In this connection Trustee George H. Howard, who has just returned from an extended visit to the East, has submitted to his fellow trustees an extended report of his observation of the work of road building in the section visited by him.

Chairman Elliott McAllister of the Hillsborough school board has made appication to the city trustees for permission to use a portion of the city hall for school quarters, which has been granted. It is announced that the school wil open in August, at the same time as the other schools of the county, and that it will be of mixed elementary and grammar grades.

Receiver R. H. Brotherton of the bankrupt Pacific Jupiter Steel Co., whose works are located at South San Francisco, has filed his report. The total receipts from the sale of the machinery andother fixtures amounted to $2517.48,while he has paid out $2208.57.

The trustees of the South San Francisco school district have issued a call for an election on the question of issuing bonds to the amount $10,000 for the purpose of making improvements to the school buiding and purchasing apparatus. The election wil be held Aug. 11th.

The trustees of Daly City have made it evident that they intend to put a strict curb on the liquor business in that town. Three old time saloon keepers of that place—Maude E. Earl, W. N. Flaherty and Christine Ettin—have been refused renewals of their licenses.

The school trustees of Jefferson district have eected W. J. Savage as supervising principal, and Mrs. A. Y. Hassett, Miss Nora Wilson, Miss Mary Gardner and Mrs Elouise de Veldez as teachers.

The E. B. & A. L. Stone Company, owners of the quarry at Rockaway Beach recenty set off a blast containing twelve and a half tons of doube strong powder. The blast was set off in a tunnel 160 feet deep, and when it was set off liberated 90,000 cubic yards of rock, an amount which will probaby keep the crusher supplied for the next four months.

It is reported that the Balboa saloon, between Halfmoon Bay and Miramar has changed hands and that the new proprietor wil invest a considerable sum in a lot and new building near the present site.

The grammar school trustees of Halfmoon Bay have reelected Misses Nichols, Belle Vallejo and Mane as the teachers. The principal is yet to be determined upon.

A hunting club is being organized at Rockaway Beach and will be incorporated under the state law. The club will have 25 members, including local and San Francisco, and will have over 1000 acres of game preserve.

Moss Beach is badly in need of a first class bakery, and if an enterprising, man would come he could make good from the start.—Coast Side Comet.

The Halfmoon Bay Light & Power Company will be ready to supply the towns of the Halfmoon Bay section with light and power within a very short time. The company has arranged with the San Francisco Light & Power Co. to furnish the current and connections will be made at San Mateo.

Lizzie Lenci has brought suit in the superior court against her husband, Louis Lenci, for an interlocutory decree of divorce on the ground of cruelty and failure to provide. The couple was married in San Francisco on June 1, 1905.

**Good Baseball Sunday**

The game tomorrow will be one of best played on our diamond this year. The Santa Clara boys have already a victory over the home team.

Manager Chilcott has erected a small mound which will be a great help to the pitcher's box. He has all the confidence in the world that his team can easily take the honors tomorrow.

Last Sunday's game was not up to its usual standard on account of three or four of the regular players being absent.

The Santa Clara team has already arranged to bring a large delegation of rooters along with them, but they will be far surpassed by the fans of Redwood.

A week from tomorrow Redwood will cross bats with San Jose.

The batteries for Santa Clara are Kohner and Martinelli and for Redwood, Ross and Martinelli.

**Orchestral Concert Congress Springs**

Every Sunday afternoon. D'Ablaing's orchestra, assisted by Miss Louise Forcade, soprano, and Prof. S. Schalkhammier, baritone. The public are cordially invited to enjoy these concerts without charge. For an ideal outing arrange to spend the day in this beautiful pleasure park; take a picnic lunch, or dine at "The Grill." On Sundays electric cars leave Palo Alto on arrival of S. P. trains at 9:53 a. m., 11:47 a. m. and 12: 43 p. m. Round-trip excursion tickets, Palo Alto to Congress Springs and return, 35c, sold only at ticket office, S. P. Depot, Palo Alto.

J. Riede has sold the Peninsula Bakery to Richard F. Paul, an experienced confectioner and baker of San Jose. He has already taken possession of the business. Mr. Reide and wife have made many friends while here by their uniform courtesy and uprightness in business dealings. Mr. Riede after a short vacation will leave with his family for a six months' trip to Europe. Mr. Paul has leased the C. C. Benson cottage on East Fuller street and will move his family here fram the Garden City. He comes to Redwood City with the best of recommendations.

The trustees of the Menlo Park Sanitary district held a meeting Tuesday evening and transacted some important business. The books of the assessor of the district were accepted. It is thought that no rate of taxation will be levied this year, but if there should be it will not be more that fifteen cents on the $100. Last year it was 45 cents on the $100. This big reduction will be hailed with delight by the taxpayers.

In our childhood we all have read about the little boy in McGuffin's first reader who herded sheep and who used to yell wolf, wolf when there was no wolf. The wolf did come one day and destroyed the sheep. So it is with our fire department. It is called out when there is no fire. This has been done several times lately. The fire bell may ring when there is a conflagation and the fire boys will not respond. Anyone caught ringing the bell unnecessarily ought to be severely dealt with.

Holy Cross Cemetery Association requests that subscriptions to the cemetery fund yet unpaid be sent as soon as possible to the committee in charge. The treasurer, Jas. R. Doyle of Menlo Park, reports the treasury almost depleted. A meeting of the association will be held Sunday, the 30th instant, to consult and deliberate as to methods of securing funds to continue the services of a caretaker in the long home of the dear departed dead. A list of subscriptions to the fund for 1911 will be published in a week or two.

**Funeral of Mrs. Brown.**

Mary Brown, wife of William Brown of Wellesley Park, died at her home after a lingering illness from a complication of diseases last Wednesday. Deceased was an old and respected resident in this locality for many years, Mr and Mrs. Brown resided on the Brittan ranch of which Mr. Brown was foreman, for over twenty-five years and when the property was sold some time ago the family moved to Wellesley Park where they established a beautiful home. Mrs. Brown was a native of County Cork Ireland, but came to this country in her girlhood. Besides her husband she leaves two children, Annie C. Brown of this city and James J. Brown, the well known hardware man, residing at Burlingame. A solemn requiem mass was celebrated at Mount Carmel church yesterday morning for the repose of her soul. Interment was in Holy Cross Cemetery, Menlo Park. A large number of old friends of the deceased followed the remains to their last resting place.

## NO REASON FOR IT

### When Redwood City Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what a Redwood City citizen says:

Fred Haussler, 101 Stambaugh St., Redwood City Cal., says: "My kidneys were disordered and the kidney secretions were unnatural. Knowing that difficulties of this kind often result seriously if allowed to go unchecked, I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at P. A. Ryan's Drug Store and their use completely removed my trouble. In July 1907 I publicly testified in praise of Doan's Kidney Pills and at this time I gladly confirm that statement. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### MEETING OF THE COUNTY PROMOTERS AT SAN MATEO.

The governing board of the San Mateo County Development Association met at San Mateo Wednesday night and much important business was transacted.

Mr. Horsburgh of the Southern Pacific company promised a reply at an early date to the association's appeal for lower transportation rates.

The committee on selection of six additional members of the governing board were to report at this meeting and the new members will be mostly from the coast side and points not now represented by active workers. Active workers are the kind wanted and the other kind will be weeded out.

Manager Fuller reported a collection of railroad rates showing that a quarter of our local rates are over 3 cents per mile and that some commutation rates are surprisingly inconsistent. He also reported statistics from eastern roads showing rates from 10 to 25 per cent lower charges than our local rates.

The railroad commission informed the manager that the commission is about to obtain by new surveys and otherwise full data on our railroads which will be avaiable as soon as collected.

The Civic Betterment club at Hillcrest agreed at a meeting Tuesday night to give $5.00 per month to the association, and Daly City will also contribute.

The California Board offers to provide a booth at the Ferry Building for $15 per month to exhibit free of charge slides furnished.

**Another Excursion to Los Angeles**

The Southern Pacific is selling tickets for a round-trip to Los Angeles for $10, good from the 21st instant until fifteen days after that date, with stop-over privileges at principal cities. Two weeks ago the railroad company gave a similar trip to Los Angeles which was taken advantage of by 5000 people. Tickets are now on sale at the local depot.

### WATER DISTRICT FOR TOWNS OF PENINSULA.

Representatives of the Boards of Trustees of San Mateo Burlingame, and Hillsborough met in San Mateo Friday night to discuss plans for the formation of a water district and to arrange for obtaining a concession from the Spring Valley Water Company to relieve the water famine on the peninsula.

Each of the delegates to the meeting is to work upon the plan and report to their respective board, and at a later meeting another discussion will be held. It was agreed by those present that by forming a water district there would be more chance of getting some sort of a concession from the Spring Valley people that would obviate the necessity of the residents relying upon the artesian well supply for water.

### Grocery Dealers Incorporate

The Tillman-Bendell Co. has incorporated with a capital stock of $600,000 divided into 60 shares at a par value of $10,000 each. The purpose of the incorporation is to engage in the wholesale grocery business in San Francisco. The actual amount of stock subscribed is $600,000 by the following stockholders: Frederick Tillmann, 20 shares $200,000, Frederick Tillmann Jr., 14 shares $140,000, Herman Bendel 8 shares $80,000, Emil A. Engelberg 2 shares $40,000, and W. O. Weissich 2 shares $40,000. All the stockholders reside in San Francisco with the exception of Herman Bendel who lives in Oakland.

### Plucky Woman Subdues Horse.

Remarkable courage was all that saved Mrs. J. A. Mighall of Woodside from injury Friday, when an automobile belonging to A. Schilings, the spice manufacturer of San Francisco, crashed into her horse and buggy in the Woodside road. Mrs. Mighall was thrown from her seat and before she could regain a firm hold on the reins, the frightened horse bolted down the road. Then began a struggle for supremacy between woman and beast, which finally ended in victory for the former after a wild ride down the grade.

### REDWOOD CITY UPLANDS SITE FOR EXCLUSIVE HOMES

The nucleus of an aristocratic hamlet has been laid on the foothills west of this city and it is predicted that this charming tract will soon rival Hillsborough as a habitation for the wealthy. Its view is superb, overlooking the bay and valley affording a vast expanse of the prettiest scenery imaginable. The first to see and appreciate this delightful homesite was Mrs. Carrie Robinson, largely because it was the dwelling place of her parents in the old days, and among its romantic nooks Mrs. Robinson spent her childhood and grew to charming womanhood. In the years that have gone Mrs. Robinson wandered the wide world o'er, but when she sought a permanent abiding place her thoughts naturally turned to the old homestead, and it has been a pleasure to her to build a pretty dwelling place there which will be her future home.

Following Mrs. Robinson has come Robert Oxnard, the wealthy beet-sugar manufacturer who is erecting a pretentious home near that of Mrs. Robinson.

George H. Lent, the wealthy real estate broker of San Francisco, has purchased a portion of the tract and will soon follow with the erection of a home.

The tract is of many hundreds of acres among which may be found countless delightful homesites and it is predicted that a settlement will shortly grow up there that will rival the most exclusive of the county.

### More Pay for Rural Carriers

The 40,000 odd rural free delivery carriers in the United States are to receive a salary increase as a result of a decision Friday by Postmaster General Hitchcock. The order will provide for the distribution during the present fiscal year of $4,000,000, which will mean an increase of $100 over the present salary of $900 for all carriers on standard outes. The local rural route which is one of the first established will be included in the increased pay.

STATE OF CALIFORNIA } ss.
County of San Mateo }

H. G. Plymire, being first duly sworn, deposes and says: I am the duly elected, qualified and acting Public Administrator of the County of San Mateo, State of California; I have read the foregoing Report, Return and Account, and know the contents thereof, and the same is true and correct, according to the best of my knowledge and belief. I am not interested in the expenditures of any kind made on account of any of the said estates, and I am not associated in business with any one who is interested in such expenditures. H. G. PLYMIRE.

Subscribed and sworn to before me, this 7th day of July, 1911.
[Seal] HARRY E. STYLES,
